

APPROVED
SECRETARY'S REPORT
July 13, 2008

Due to a horrible rainstorm that caused flooding in our basement, I was unable to attend the meetings. Therefore, I have a written report to detail my activities. Thank you to Mel for taking all the minutes and emailing them to me. All I did was format them.

- Amended the May 4, 2008 minutes as follows:

⇒ **“Saddle Drawing”**

“Email received with an update. Saddle is ready and being mailed to the Ranch. It should be here in 2 weeks. The ~~\$50000~~ **\$5000** saddle will be raffled off as fundraising for the 2009 rodeo. We had 500 tickets printed to be sold at \$5 each.”

According to the June minutes:

“Shelby Lynn wanted to say thank you Sarah Colburn at Scott Colburn for the donations for the Luau. Need a letter for this as it seems this was not done at the Luau. Also need a letter for the Hayloft. We should also put on the flyers any Sponsor for upcoming events and put in the letter that we will be adding the sponsors to the flyers.”

This was not done at the luau because: a) I didn't attend; and b) I didn't know that there were any donations.

In service,

Juliana E. Martin
